PREPARATION

1. Prepare the vegetables

Peel and cut the onion into half rings, sprinkle generously with lime juice and leave for a while. Drain the corn and beans and mix the mayonnaise with the paprika powder. Chop the paprika and divide romaine lettuce leaves in a 'bowl' or deep plate.

2. Fry the nuggets

Divide the beans, corn, pepper and onion over the salad and fry the nuggets according to the instructions on the packet until crispy and brown.

3. Top with the nuggets and serve!

Place the nuggets on top of the salad and serve with the 'smokey' paprika mayonnaise.
